**Green Tea : and Other Weird Stories**

J. Sheridan Le Fanu, Aaron Worth

Pub Date: 8/1/20

\$11.95 USD

544 pages

Summary: 'Well, a corpse is a natural thing; but this was the dreadfulest sight I ever sid...'

Sheridan Le Fanu is one of the indispensable figures in the history of Gothic and horror fiction—the most important such writer in English, certainly, between Poe and M. R. James. While a number of his sensation and mystery novels were popular with mid-Victorian readers, it was in shorter forms that he truly excelled, and most showed himself an innovator in the field of uncanny fiction. Tales such as 'Carmilla' and 'Green Tea' prompted M. R. James to remark, 'he succeeds in inspiring a mysterious terror better than any other writer'

Lame Fate (Ugly Swans)

Arkady Strugatsky, Boris Strugatsky, Maya Vinokour
Pub Date: 8/4/20
\$18.99 USD
416 pages

Summary:

Today, Russian authors Arkady and Boris Strugatsky are counted among the best science fiction writers of the twentieth century, but their relationship with the late-Soviet literary establishment was often fraught. By the late 1960s, publishers had become increasingly reluctant to release their works, but their novels and short stories, retyped by hand, circulated widely through unofficial channels within the Soviet Union and occasionally turned up abroad in unauthorized translation.

The nested novels *Ugly Swans* and *Lame Fate* offer insight into this period of enforced silence. Never before translated.

Prison Pit : The Complete Collection

Johnny Ryan
Pub Date: 8/4/20
\$39.99 USD
736 pages

Summary: Prison Pit is a planet full of repugnant intergalactic criminals, drug-filled slugs, and now Cannibal F***face (CF). From 2009 to 2018, the crudely manic pen and mind of Johnny Ryan documented the mayhem and mutation as CF loses his arm to a vile beast, replaces it with a symbiotic bug that gives him a steroid-like jolt, and seeks grisly revenge against any and all creatures that get in his way. To find his way out he must do battle with his arch-enemy Slitt, the only one who knows how to escape the hellscape they inhabit. Finally, CF is pitted against the very system that shaped him into the avatar of death and destruction he has become.

Toybox Americana : Characters Met Along the Way

Tim Lane
Pub Date: 8/4/20
\$34.99 USD
272 pages

Summary: In this book, Lane remasters milieus, attitudes, and cultural touchstones of the 20th century: wry slice-of-life vignettes are depicted in moodily crosshatched, noir-inflected drawings. Jazz clubs and pool halls, ballparks and graveyards, casinos and coffeehouses, back alleys and bus stops are populated by roughed-up boxers, bleary gamblers, rowdy winos, philosophical rail-riders, acrobatic fire-swallowers, and femme fatales - woven together into a uniquely designed collection of images and prose.

Summary: At the end of the fourth year of the Crisis Era, Yun Tianming, riddled with cancer, chose to end his life. His decision was the first step in a journey that would take him to the end of the universe and beyond.

His brain was extracted from his body, flash frozen, put aboard a spacecraft, and launched on a trajectory that will intercept the Trisolarian First Fleet in a few centuries. It is a desperate plan, almost certain to fail. But there is an infinitesimal chance that one day Tianming may, somehow, be able to send valuable information back to Earth. And so he does. His broadcasts from the Trisolarian fleet reveal the secrets of faster than light propulsion and the ultimate

The Living Dead

George A. Romero, Daniel Kraus

Pub Date: 8/4/20

\$27.99 USD

656 pages

Summary: George A. Romero invented the modern zombie in his seminal film, *Night of the Living Dead*. Without Romero, there would be no *World War Z*, no *The Walking Dead*. When he died in 2017, Romero's giant, contemporary zombie novel was unfinished. Completed by *New York Times* bestselling author Daniel Kraus (*The Shape of Water*) with the full cooperation of the Romero estate, *The Living Dead* is an entirely new tale. Not a novelization of any of the films, it is the story of the zombie plague, from the first rising to the fall of humankind...and beyond.

It begins with one body.

**Detectives in the Shadows : A Hard-Boiled History**

Susanna Lee
 Pub Date: 8/4/20
 \$27.00 USD
 224 pages

Summary: Steadfast in fighting crime, but operating outside the police force—and sometimes even the law—is the private detective. Driven by his own moral code, he is a shadowy figure in a trench coat standing on a street corner, his face most likely obscured by a tilted fedora, a lit cigarette dangling from his hand. The hard-boiled detective is known by his dark past, private pain, and powers of deduction. He only asks questions—never answers them. In his stories he is both the main character and the narrator.

America has had a love affair with the hard-boiled detective since the 1920s, when Prohibition called into question who really stood on the right and wrong side of the law. And

Summary: A finely wrought coming-of-age memoir about the author's relationship with her beloved grandfather Joe Simon, cartoonist and co-creator of Captain America.

In the 1990s, Megan Margulies's Upper West Side neighborhood was marked by addicts shooting up in subway stations, frequent burglaries, and the "Wild Man of 96th Street," who set fires under cars and heaved rocks through stained glass church windows. The world inside her parents' tiny one-bedroom apartment was hardly a respite, with a family of five—including some loud personalities—eventually occupying the 550-square-foot space.

Summary: In St. Hilaire the ability to talk to the dead is a requirement for residence. Dec Hampton has always lived there, but ever since his parents died, he's had enough. All Dec has to do is pass the GED, and he is out of there.

His best friend Russ won't be surprised—but he will be heartbroken. Unlike Dec, Russ is a good medium, maybe even a great one. He's made huge sacrifices for his gift.

Dec can't stay, and Russ wouldn't ask, so everything seems all set to slowly slip away, until a train carrying Annie Krylova, the piano prodigy whose music has been Dec's main source of solace, breaks down outside of town. In St

Summary: When a millionaire space tourist visits the orbiting International Space Station, NASA expects a \$100 million win-win: his visit will bring in much needed funding and publicity. But the tourist venture turns into a scheme of terror when, together with an extremist cosmonaut, the tourist slaughters all the astronauts on board the million-pound ISS—and prepares to crash it into New York City at 17,500 miles an hour, causing more devastation than a hundred atomic bombs. In doing so, they hope to annihilate the world's financial system.

All that stands between them and their deadly goal is the lone survivor aboard the ISS. Kimberly Hasid-Robinson

The Collected Poems of C. S. Lewis : A Critical Edition

Don W. King
Pub Date: 8/7/20
\$24.95 USD
485 pages

Summary: Although C. S. Lewis is best known for his prose and for his clear, lucid literary criticism, Christian apologetics, and imaginative Ransom and Narnia stories, he considered himself a poet for the first two and a half decades of his life. Owen Barfield recalls that anyone who met Lewis as a young man in the early 1920s at Oxford University quickly learned he was one "whose ruling passion was to become a great poet. At that time if you thought of Lewis you automatically thought of poetry."

The Collected Poems of C. S. Lewis offers readers, for the first time, a one-volume collection of Lewis's poetry, including many poems that have never appeared in print.

Matthew Dennison
 Pub Date: 8/11/20
 \$17.95 USD
 352 pages

Summary: A moving biography of Kenneth Grahame, author of the children's classic *The Wind in the Willows*, and of the vision of English pastoral life that inspired it.

During his regular days in London, Kenneth Grahame sat behind a mahogany desk as Secretary of the Bank of England; on weekends he retired to the house in the country that he shared with his fanciful wife, Elspeth, and their fragile son, Alistair, and took lengthy walks along the Thames in Berkshire, "tempted by the treasures of hedge and ditch; the rapt surprise of the first lords-and-ladies, the rustle of a field-mouse, the splash of a frog."

Menopause : A Comic Treatment

MK Czerwiec
 Pub Date: 8/17/20
 \$29.95 USD
 144 pages

Summary: Like so many other issues surrounding women's reproductive health, menopause has been treated as a cultural taboo. On the rare occasions that menopausal and perimenopausal women are depicted in popular culture, they are stereotypically cast as the butt of demeaning jokes that encourage us to laugh at their deteriorating bodies and emotional volatility. The result is that women facing menopause often feel isolated and ashamed. In a spirit of community and support, this collection of comics presents a different view of menopause that enables those experiencing it to be seen and to feel empowered.

Summary: The first title in the new "Warhammer Crime" imprint. Try to unravel the secrets lurking in the sprawling city of Varangantua.

In the immense city of Varangantua, life is cheap but mistakes are expensive. When Probator Augusto Zidarov of the city's enforcers is charged with locating the missing scion of a wealthy family, he knows full well that the chances of finding him alive are slight. The people demanding answers, though, are powerful and ruthless, and he is soon immersed in a world of criminal cartels and corporate warfare where even an enforcer's survival is far from guaranteed. As he follows the evidence deeper into the

Summary: In *Literary Afrofuturism in the Twenty-First Century*, eminent contributors pay tribute to Afrofuturism as a powerful and evolving aesthetic practice that communicates the experience of science, technology, and race across centuries, continents, and cultures. While Ryan Coogler and Janelle Monáe may have helped bring the genre into contemporary pop consciousness, it in fact extends back to the writing of eighteenth-century poet Phyllis Wheatley and has continued in the work of Samuel R. Delany, Octavia E. Butler, N. K. Jemisin, and many others. In examining this heritage, contributors in this volume question generic boundaries, recover lost artists and introduce new ones, and explore how the meteoric rise of a
