Summary:

In 1953 Ian Fleming's literary sensation James Bond emerged onto the world's stage. Nearly seven decades later he has become a multi-billion-dollar film franchise, now equipped with all the gizmos of the modern world. Yet Fleming's creation that battled his way through the fourteen Bond novels, from 1953-1966, was a maverick, a man out of place. Bond even admits it, wishing he was back in the real war...the Second World War. Indeed, the thread of the Second World War runs through all the Bond books, and many were inspired by the real events and people Ian Fleming came across during his time in Naval Intelligence. In Fleming's 007 Mark Simmons explores these remarkable

Summary: This *New York Times* bestseller takes on the Bigfoot legend with a tale that blurs the lines between human and beast—and asks what we are capable of in the face of the unimaginable.

As the ash and chaos from Mount Rainier's eruption swirled and finally settled, the story of the Greenloop massacre has passed unnoticed, unexamined...until now. The journals of resident Kate Holland, recovered from the town's bloody wreckage, capture a tale too harrowing—and too earth-shattering in its implications—to be forgotten. In these pages, Max Brooks brings Kate's extraordinary account to light for the first time, faithfully reproducing her words

Summary: In 2020, the COVID-19 pandemic brought the world to its knees. When we weren't sheltering in place, we were advised to wear masks, wash our hands, and practice social distancing. We watched in horror as medical personnel worked around the clock to care for the sick and dying. Businesses were shuttered, travel stopped, workers were furloughed, and markets dropped. And people continued to die.

Amid all this uncertainty, writers and artists from around the world continued to create comics, commenting directly on how individuals, societies, governments, and markets reacted to the worldwide crisis. *COVID Chronicles: A Comics*

Mysterious Travelers : Steve Ditko and the Search for a New Liberal Identity

Zack Kruse

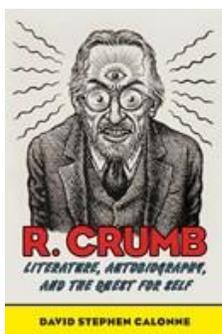

Pub Date: 2/15/21

\$30.00 USD

304 pages

Summary: Steve Ditko (1927–2018) is one of the most important contributors to American comic books. As the cocreator of Spider-Man and sole creator of Doctor Strange, Ditko made an indelible mark on American popular culture. *Mysterious Travelers: Steve Ditko and the Search for a New Liberal Identity* resets the conversation about his heady and powerful work. Always inward facing, Ditko's narratives employed superhero and supernatural fantasy in the service of self-examination, and with characters like the Question, Mr. A, and Static, Ditko turned ordinary superhero comics into philosophic treatises. Many of Ditko's philosophy-driven comics show a clear debt to ideas found in Ayn Rand's Objectivism. Unfortunately, readers often reduce Ditko's

**Legends of Today**

Enki Bilal, Pierre Christin

Pub Date: 2/16/21

\$39.99 USD

176 pages

Summary: *Legends of Today* brings together the first three volumes that Enki Bilal has created in collaboration with the scriptwriter Pierre Christin: *The Cruise of Forgotten* (1975), *The Stone Vessel* (1976) and *The City That Did Not Exist* (1977).

Antagonised by an enigmatic character with supernatural powers, which serves as a theme for the trilogy, the three stories delve into the lives of various traditional communities (a village of the Landes, a Breton fishing port, a small working-class town in the North) as they fight against the police, the army, and all those in power, whose action, at the time, was very controversial

Nubia: Real One

L. L. McKinney, Robyn Smith

Pub Date: 2/23/21

\$16.99 USD

208 pages

Summary: Can you be a hero...if society doesn't see you as a person?

Nubia has always been a little bit...different. As a baby she showcased Amazonian-like strength by pushing over a tree to rescue her neighbor's cat. But despite her having similar abilities, the world has no problem telling her that she's no Wonder Woman. And even if she were, they wouldn't want her. Every time she comes to the rescue, she's reminded of how people see her: as a threat. Her moms do their best to keep her safe, but Nubia can't deny the fire within her, even if she's a little awkward about it sometimes. Even if it means people assume the worst
